Court Sanction of the Scheme of Arrangement, Exercise of Options and Admission to Trading on AIM and Rule 2.9 Announcement

On 14 May 2025, the boards of Kinovo plc ("**Kinovo**") and Sureserve Compliance Holdings Limited ("**Sureserve**") announced that they had reached agreement on the terms of a recommended final* cash offer pursuant to which Sureserve will acquire the entire issued and to be issued ordinary share capital of Kinovo (the "**Acquisition**"). The Acquisition is being implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Scheme**").

Further to the announcement of 23 June 2025, Kinovo is pleased to announce that the Court has today issued the Court Order sanctioning the Scheme. The Scheme will become Effective upon the delivery of a copy of the Scheme Court Order to the Registrar of Companies for registration, which is expected to occur on 1 July 2025.

Full details of the Scheme are set out in the scheme document published by Kinovo on 23 May 2025 (the "**Scheme Document**").

Unless otherwise defined, all capitalised terms in this announcement have the meanings given to them in the Scheme Document. All references to times are to BST unless otherwise stated.

*Sureserve confirms that the financial terms of the Acquisition are final and will not be increased, save that Sureserve reserves the right to revise and increase the financial terms of the Acquisition if there is an announcement, on or after the Announcement Date, of a possible offer or firm intention to make an offer for Kinovo, by a third-party offeror or potential offeror.

A further announcement will be made once the Scheme has become Effective and on the cancellation of admission to trading of Kinovo Shares on AIM.

Exercise of options and admission to trading on AIM

In addition, an application has been made to the London Stock Exchange for the CSOP Shares to be admitted to trading on AIM ("**Admission**") and it is expected that Admission will become effective on or around 8.00 a.m. on 30

Additional information for US investors

The Acquisition relates to the shares of an English company with a quotation on AIM and is being made by means of a scheme of arrangement provided for under English company law. An acquisition effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Securities Exchange Act of 1934 (the "**U.S. Exchange Act**"). Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement which differ from the disclosure requirements of the U.S. tender offer and proxy solicitation rules. Neither the United States Securities and Exchange Commission, nor any securities commission of any state of the United States, has approved or disapproved any offer, or passed comment upon the adequacy or completeness of any of the information included in this announcement. The financial information included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) has been prepared in accordance with generally accepted accounting principles of the United Kingdom and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

If, in the future, Sureserve exercises its right, with the consent of the Panel (where necessary) and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of an Offer, which is to be made into the United States, such Offer will be made in compliance with the applicable U.S. laws and regulations.

It may be difficult for U.S. holders of Kinovo Shares to enforce their rights and any claim arising out of the U.S. federal laws in connection with the Acquisition, since Sureserve and Kinovo are located in a non-U.S. jurisdiction, and some or all of their officers and directors may be residents of a non-U.S. jurisdiction. U.S. holders of Kinovo Shares may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's jurisdiction or judgement.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act, Sureserve, its nominees, or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Kinovo Shares outside of the U.S., other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open

market at prevailing prices or in private Acquisitions at negotiated prices and comply with applicable law, including the U.S. Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to the Regulatory News Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

U.S. Kinovo Shareholders should be aware that the Acquisition contemplated herein may have tax consequences in the U.S. and, that such consequences, if any, are not described herein. U.S. Kinovo Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this Acquisition.

Forward-looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Sureserve and/or Kinovo contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Sureserve and/or Kinovo about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements with respect to the expected effects of the Acquisition on Sureserve and Kinovo, the expected timing and scope of the Acquisition, the financial condition, results of operations and business of Kinovo and certain plans and objectives of Sureserve with respect thereto and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the fact that they do not relate only to historical or current facts and may use words such as "anticipate", "target", "expect", "estimate", "forecast", "intend", "plan", "budget", "scheduled", "goal", "believe", "hope", "aims", "continue", "will", "may", "should", "would", "could" or other words of similar meaning. These statements are based on assumptions and assessments made by Kinovo and/or Sureserve in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risk and uncertainty and other factors which may cause actual results, performance or developments to differ materially from those expressed in or implied by such, because they relate to events and depend on circumstances that will occur in the future.

Although Cap10 Partners and/or Sureserve and/or Kinovo believe that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and you are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. Neither Cap10 Partners nor Sureserve nor Kinovo assumes any obligation to update or correct the information contained in this announcement (whether as a result of new information, future events or otherwise), except as required by applicable law.

There are a number of factors which could cause actual results and developments to differ materially from those expressed or implied in forward-looking statements. Among the factors that could cause actual results to differ materially from those described in the forward-looking statements include, but are not limited to: the ability to complete the Acquisition; the ability to obtain any requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms; changes in the global, political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or dispositions; changes in general and economic business conditions; changes in the behaviour of other market participants; the anticipated benefits of the Acquisition not being realised as a result of changes in general economic and market conditions in the markets and jurisdictions in which Cap10 Partners, Sureserve and Kinovo operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Cap10 Partners, Sureserve and Kinovo operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither Cap10 Partners nor Sureserve nor Kinovo, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Given the risks and uncertainties, you are cautioned not to place any reliance on these forward-looking statements.

Other than in accordance with their legal or regulatory obligations, neither Cap10 Partners nor Sureserve nor Kinovo is under any obligation, and Cap10 Partners, Sureserve and Kinovo expressly disclaim any intention or

obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
